LLOYD GROUP OF INSTITUTIONS

Lloyd Group of Educational institutions is located in futuristic modern township, Greater Noida of Delhi NCR. The premier, national, educational institution which offers programs in Engineering and Technology, Law, Business Management, Pharmacy and Education is spread across 2 Campuses & 20 acres of lush green campus. With more than 23 years of excellence as educational providers, the Group has made its mark of quality across these disciplines. The College, since its inception, is continuously striving to achieve excellence and has been recognized through numerous reputable awards and collaborations.

ABOUT LIET

LIET, Lloyd Institute of Engineering & Technology has become a place where dreams are indeed transformed into reality. The institute is affiliated to Dr. A.P.J. Abdul Kalam Technical University (Formerly UPTU) and recognized by the A. I. C. T. E. (Min of HRD), New Delhi, and the U.P. Govt.

Since 2002, LIET has been shaping future engineering for success – placing them in top global companies and empowering them to launch innovative Startups through robust incubation support.

VISION

“To emerge as an Institute of academic excellence by empowering young minds through problem-solving skills, knowledge & ethical values and transforming them into professionals of global competence”.

MISSION

M1: To equip the students with state-of-the-art technological advancement and skills.

M2: To create a conducive environment for teaching and learning through continuous engagement with industry for corporate understanding and Professionalism.

M3: To focus on holistic development of students through enhanced learning along with moral and ethical value system.

THE LEADERS

President

Mr. Manohar Thairani

Welcome to Lloyd Group of Institutions, where we believe in earning a career, not just a degree. In the dynamic world of engineering & computer applications, success is measured by practical skills, hands-on experiences, and a passion for innovation.

At Lloyd, our commitment is to provide you with more than just academic knowledge. We offer a transformative learning environment, industry-relevant projects, and mentorship to ensure you are well-prepared for the challenges and opportunities that lie ahead. Join us in shaping your future, where the pursuit of knowledge meets the path to a fulfilling career. Together, let's build a legacy of innovation and excellence.

Embrace the journey, earn your success.

Senior Director

Prof. (Dr.) Rajeev Agrawal

In the era of exponential technological evolution, I extend a warm welcome to all prospective candidates and students of Lloyd. At our institution, we recognize the pivotal role of staying ahead in the ever-changing landscape of technology.

Technology is not merely advancing; it is evolving. To meet this challenge, LIET is dedicated to shaping students as per the need of the hour. Our commitment extends beyond traditional education; we strive to equip you with cutting-edge skills, innovative thinking, and adaptability to thrive in the fast-paced world of technology.

As you embark on your educational journey with us, rest assured that you will be exposed to the latest advancements, industry insights, and practical experiences that will prepare you for the challenges and opportunities of tomorrow.

Through a well-established setup such as Lloyd Skill Centre, Computing Café, Lloyd Technology & Business Incubator along with multiple MOU with industry giants like Nasscom, Servotech, CISCO, Garuda Aerospace etc. we provide overall skill based learning. Join us at LIET and be part of an educational ecosystem that embraces the future, where learning is a dynamic and lifelong adventure.

Embrace the evolution, shape your future.

**“Embrace the journey,
earn your success”.**

Special Faculty Group (SPF) : Industry Leaders as Mentors

At LIET, we take pride in our Special Faculty Group (SPF) – a distinguished panel of professionals who bring decades of industry experience from senior leadership roles in top global companies. Many of our SPF members are proud alumni of prestigious institutions like IITs and IIMs. They go beyond the classroom to mentor our students, offering real-world insights, career guidance, and a deep understanding of industry trends. Their presence bridges the gap between academic learning and practical application, preparing students to thrive in a competitive global environment

TRANSFORMING IDEAS INTO REALITY

Future of Computing in State-of-the-art Laboratories

Our advanced laboratories, equipped with the latest technology provided hands-on experiential learning opportunities. In addition to department - specific lab. we offer specialized industrial labs in partnership with leading companies like Lohum, Garuda, Aerospace and Servotech, bridging the gap b/w theory and real-world application.

At LIET, we provide a dynamic learning environment where theory meets practice. We provide students with immersive practical learning experience. Our students with the tools & technologies become the next generation of tech leaders.

Lloyd Institute of Engineering & Technology

Got Approval

from

Department of IT & Electronics, GoUP

under

Government of Uttar Pradesh

We are thrilled to announce that Lloyd Institute of Engineering & Technology (LIET) has been awarded a prestigious **₹ 2.5 Core** grant with approval from StartInUP!

This incredible support will fuel innovation and research at Lloyd Technology and Business Incubator Foundation (LTBIF) @ Lloyd Institute of Engineering & Technology, fostering a dynamic ecosystem for startups and cutting-edge technologies.

With this funding, LIET & LTBIF will drive breakthrough projects in **D**rones, **E**lectric Vehicles (Evs), **AI**, **R**obotics, and Advanced Materials, accelerating the future of smart mobility and automation.

This milestone marks a new era of **E**ntrepreneurial **E**xcellence, where groundbreaking ideas transform into reality. A huge shoutout to faculty, students, and industry partners for making this possible!

"Empowering Innovation, Fueling the Future – Celebrating Our Grant for Technical Excellence!"

VENDOR DEVELOPMENT PROGRAMME

Lloyd Institute of Engineering & Technology (LIET), under the aegis of the Institution's Innovation Council (IIC), in collaboration with the **Ministry of Micro, Small & Medium Enterprises (MSME), Government of India**, successfully organized the Vendor Development Program to foster industry-government-academia collaboration and explore new business opportunities for MSMEs.

PEER MENTOR PROGRAM DETAILS

Application Process Procedure

The interested student should submit their application to the Dean Academics including his/her all achievement & certification. Based on their presentation and responses to the committee question the list of successful student will be recommended by the committee. The student will receive a formal offer letter.

Engagement of Classes

Selected mentors will lead 20-40 sessions per semester in addition to other academic or project based engagements as determined by the committee.

Recognition & Financial assistance

Under this programme, the students will be extended the internship/fellowship assisted with an amount of sum ranging between Rs. 8000-15000 per month or based on the hours of engagements.

NIYUKTI 2025

Lloyd recently hosted Niyukti 2025 — its annual Job Fair open to students from all colleges and universities. The event saw participation from 50+ leading corporate companies across various sectors, offering a wide range of career opportunities. Niyukti 2025 provided a vibrant platform for aspiring professionals to connect with top recruiters, gain industry insights, and secure job offers. The overwhelming response from both companies and students reflects Lloyd's strong industry partnerships and unwavering commitment to career development and student success.

INVENTORS CHALLENGE 2024

Lloyd Institute of Engineering & Technology hosted the grand finale of the 'Inventor Challenge 2024,' a joint initiative by AICTE and STMicroelectronics. Launched in March 2024, the program saw participation from 5,000 colleges and 2,764 teams. After a rigorous review, 24 teams reached the finale, presenting ideas on green energy and sustainable development.

PROF. T.G. SITHARAM, Chairman, AICTE graced the occasion as Chief Guest. He emphasized the importance of semiconductors and AI for India's future. The event celebrated innovation with IM College, Kolkata winning ₹1,00,000, followed by CIS Institute, Chembur (₹75,000), and AKGEC, Ghaziabad (₹50,000).

Organizers pledged support for transforming winning ideas into startups.

OUTREACH TRAINING PROGRAM

@ IIT KANPUR

A comprehensive training programme by LIET Team on Drone Technology and its Applications was organized at the Indian Institute of Technology (IIT) Kanpur from 13 to 23 November, 2024, under the aegis of the African-Asian Rural Development Organization (AARDO) and IIT Kanpur. The objective of this programme was to equip participants from AARDO member countries with the latest knowledge, hands-on experience, and practical applications of drone technology, particularly in the context of rural development, agriculture, and disaster management.

@ IIIT PRAYAGRAJ

The IIIT Allahabad, in collaboration with the IEEE, successfully conducted a specialized training programme on Drone Design and Fabrication Technology in which LIET Team participated. This initiative aimed at enhancing the technical competencies of IEEE members and other participants in the emerging and interdisciplinary domain of drone technologies, with a strong focus on design innovation and hands-on fabrication skills.

Prof. (Dr.) A.L.N. Rao
Dean – Academics,
Training & Skill Development, LIET

A Guiding Force renowned for securing placements in prestigious companies like Google, Amazon, Microsoft and many others

"Your Path To Success Begins Here"

Prof. (Dr.) Arun P. Srivastava
Dean – IQAC
LIET

- Known For Fostering Innovation & Creating New Knowledge.
- Remarkable Number of LIET Publications & Patents Under his able Guidance.

"Creating New Knowledge Through Research"

Prof. (Dr.) S.P. Dwivedi
Dean – R & D
LIET

- Top 2 % researcher worldwide, released by Stanford University under the banner of Elsevier 2021-22,
- A well Versed Incubator

"Research Is The Formalized Curiosity"

Prof. (Dr.) Manish Saraswat
Head-Lloyd Skills Centre
LIET

- Instrumental in developing skill based knowledge among students.
- Well Known Expert in Drone Technology, Industry 5.0 and Reverse Engineering.
- Strong Outreach presence with premier Institutions like IITs and IIITs.

"Skills Are The New Currency of 21st Century"

TEACHING is Not PROFESSION
It's a Passion

Prof. (Dr.) Kakoli Rao
Head – CSE Deptt.
LIET

- The driving force behind our computer science engineering revolution.
- Her nurturing guidance shapes potential and it fuels a legacy of empowered and skilled individuals.

"Dive Into Extra-ordinary Field of Computing"

Dr. J.M. Giri
Head – ME Deptt.
LIET

- A seasoned academician with emphasis on quality assessment and outcome based learning. Fellow of Institutions of Engineers.

"The Whole Purpose of Education Is To Turn Mirror Into Windows"

Dr. Amrita Rai
Head – ECE Deptt.
LIET

- Expert in VLSI with hardware knowledge.
- Successfully guided many students to get grants from CST UP, SIH and other funding agencies.

"Design Is Not Just What It Looks Like And Feels Like. Design Is How It Works"

Prof. (Dr.) Gaurav Bhatia
Head-MCA

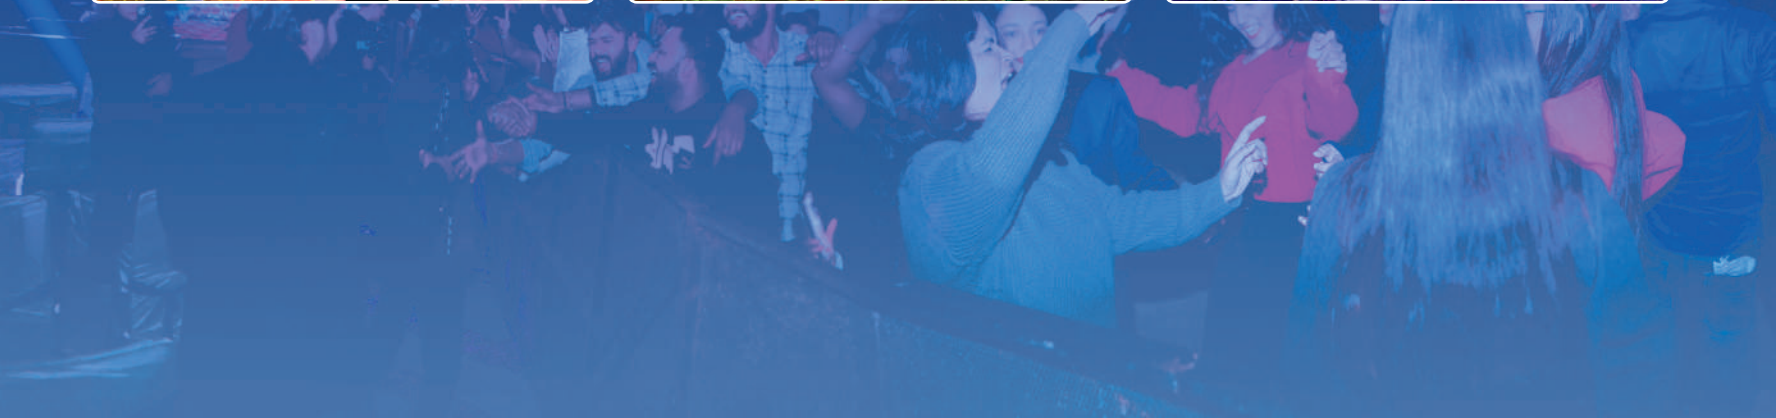

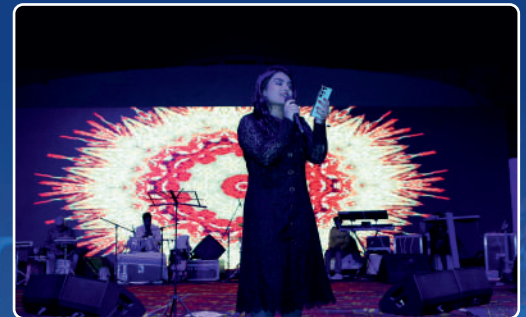

- Wide Experience of working in Institutions of repute.
- Record of Providing Excellent teaching Learning Experiences.

"You Are Hired For Your Attitude And Skills"

*" A Good Education can change anyone
A Good teacher can change Everything"*

ANTARAAL – 2K24 ANNUAL CULTURAL FEST

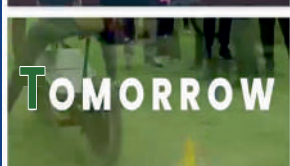

Antraal 3.0, the much-awaited annual cultural fest of LIET, was a spectacular celebration of talent, creativity, and youthful energy. The campus came alive with electrifying performances, colorful vibes, and non-stop excitement. One of the major highlights was the **live performance by Zee Sa Re Ga Ma Pa finalists**, who mesmerized the audience with powerful vocals just moments before the grand finale results were announced. The evening reached new heights with a glamorous **Fashion Show ramp walk**, where students showcased style, confidence, and charisma. From dance battles and musical acts to artistic showcases and food stalls—**Antraal 3.0 was not just an event, but a memory etched in every heart.**

GLIMPSES FROM VARIOUS EVENT

The collage features several images: students performing on stage, a group of students holding a trophy, students participating in a tug-of-war competition, students on bicycles, students in a classroom setting, and students in a laboratory setting. The text 'GLIMPSES FROM VARIOUS EVENT' is prominently displayed in the center.

WHY LIET

DEDICATED POOL OF FACULTY

- Distinguished Faculty : IIT Alumni and Industry Leaders.
- Real - World Expertise Through Industry - Integrated Teaching.
- Experienced Faculty with Proven Track Records.
- Dedicated Mentors : Guiding Students every step of the way.

GLOBAL EXPOSURE AND CERTIFICATIONS

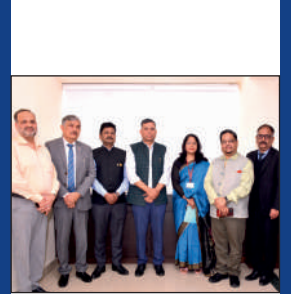

- Extensive Global Partnerships.
- International Academic Collaborations.
- Global Internship Opportunities.
- Joint Research Initiatives with Top-Tier Institutions.

ENTREPRENEURIAL MIND-SET DEVELOPMENT

- State-of-the-art Industry Labs for Innovation.
- Comprehensive Startup support and funding from MSME, GOI UP Startup, Govt. of U.P. **(2.5 Crore Grant)**
- Dedicated Entrepreneurship and skill Development Center.
- Seed funding for student entrepreneurial ventures.

UNIQUE LEARNING EXPERIENCE

- Innovative and Student - Centric Learning Approach.
- Immersive Industry Exposure Through Field Visit.
- Modern and Cutting-Edge Learning Facilities.
- Beyond the Curriculum : In Depth Learning and Skill Development.
- Industry - Focused Practical Training and Skill Development.
- Personalized Mentorship and Experienced Faculty.

ADVANTAGES OF BECOMING AN LIETIAN

LLOYD INSTITUTE OF ENGINEERING & TECHNOLOGY

Empowering Through Skills

Approved by AICTE, New Delhi | Affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow
