Kite Flying Competition

5th February 2022

Basant Panchami is the festival that marks the beginning of spring with the worship of Sarasvati, the Hindu goddess of knowledge. People celebrates the basant (spring time) by flying kites and spread colors in the sky.

Saarang the cultural committee of Lloyd Institute of Engineering & Technology is organizing a Video Editing Competition with Theme: Kite Flying on 5th Feb 2022.

Competition: Video Editing

Theme: Kite Flying

Sarrang Cultural Club

21th February 2022

Quiz Competition

Sarrang Cultural Club organized a Quiz Competition in Lloyd Institute of Engineering & Technology for the students on the occasion of Theme- Cultural Diversity (21.02.2022). Students from various departments participated and presented in this quiz competition

Technical Presentation Competition

28th February 2022

Trivia Club organized a Technical Presentation Competition under **Saarang—Cultural Club** of Lloyd Institute of Engineering & Technology for the students on the occasion of National Science Day (28.02.2022). Students from various departments participated and presented the seminar on technical topic based on theme "Science & Technology for Sustainable Future"

Ms. Anju Nanwani & Mr. Vaibhav Pathak coordinated the whole event and few of its glimpses are: its glimpses can be seen:

Festronix 1.0

29th April 2022

Festronix 1.0 started with a spectacular Inaugural Ceremony at Auditorium.

Dignitaries present for the inaugural ceremony were:

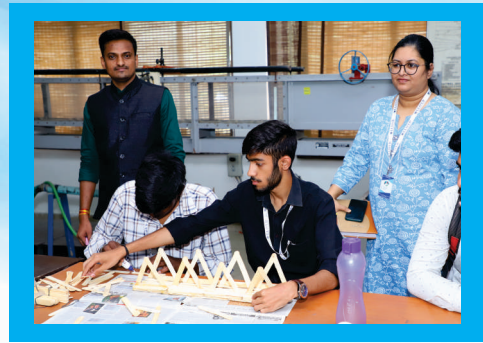

1. Prof. Karmeshu, Retired Professor, JNU (**Chief Guest**)
2. Dr. Manju Aggarwal, Managing Director, AgBe Technologies
3. Mr. Pradip Kumar Shukla, CEO & Founder, Cloudcentric Infotech Private Limited
4. Prof. Anjali Garg, NorthCap University
5. Mr. Samir Agarwal, Chief Operating Officer, Cloudcentric Infotech Private Limited

Event was started with lamp lighting by chief guest along with the other dignitaries. A group of students presented a scintillating invocation dance, Ganesh Vandana. The chief guest Prof. Karmeshu highlighted different ways in which students can come up with the ideas of devices based on circular economy and can do remarkable things with the resources available in the country. Prof. (Dr.) Jyotsna Singh welcomed guests, faculty and students and briefed about college. Prof. (Dr.) Vandana Arora Sethi addressed the gathering and highlighted the Lloyd's achievements in various dimensions. To spread the awareness on Circular Economy, a theme-based skit was performed by students. The chief guest Prof. Karmeshu formally announced the opening of Festronix 1.0.

Festronix 1.0

29th April 2022

Sports Tournament

25th May 2022

Sports Club of Lloyd Institute of Engineering & Technology organized **3 Indoor Games** (Chess, Carrom Board & Table Tennis) for Tournaments started on May 25th 2022.

Tournament: Chess/Carrom/Table Tennis

Date: Wednesday, May 25, 2022.

Time: 3:30PM Onwards

Venue: LIET Campus

Workshop on IOT

26th February 2022

TECHSQUAD- Technical Club of CSE Department organized a workshop on IOT on May 26th, 2022.

The workshop was conducted by one of our student Deepak Mishra from CSE Department. The session included Introduction to IOT, and Arduino Kit. It was a great learning experience for students as students practically worked on **Arduino kit**.

Group Discussion

19th May 2022

Literary Club of Lloyd Institute of Engineering & Technology organized a **Group Discussion Event on May 19, 2022.**

The event was organized to see and evaluate thinking skills, listening capabilities of students and how they communicate their viewpoint. The event really motivated students and built up a confidence level among them on a public speaking platform.

Ms. Anju Nangana & Mr. Vaishnava Pathak coordinated the whole event. A few of its glimpses can be seen:

Mathematics QUIZ Competition

19th May 2022

Math Club of Lloyd Institute of Engineering & technology organized a **QUIZ—Math Quiz for the students on May 19, 2022.**

For Math Quiz Competition, students were given with few mathematics based questions to solve. Based on the solution and the time to solve the quiz, results were evaluated. Students with great enthusiasm participated in this quiz. This Competition really helped students to learn with mathematical shortcut tricks and a brainstorming event was a success with good number of participations. Winners were awarded with prizes and certificates by Dr. Jyotsna Singh, Director of the Lloyd Institute of Engineering & Technology, encouraging, motivating and inspiring students to come up for such activities.

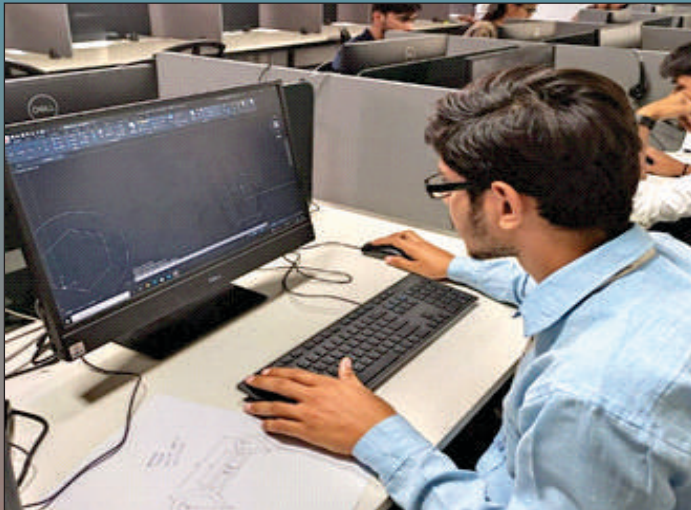

AUTOCAD Drafting Competition

02nd June 2022

Technical Club (Yantriki) of Mechanical Engineering Department of Lloyd Institute of Engineering & Technology organized an **AUTOCAD DRAFTING COMPETITION** for the students on Thursday, June 2nd 2022.

There were number of students who participated in the competition and among all first three positions were grabbed by: Saif Ali Khan from B.Tech Civil 2nd Year grabbed the First Position, Second Position was taken by Khusboo from B.Tech Civil 2nd year and 3rd Position was held by Abhishek Singh from Diploma Civil Engineering.
