

NEWSLETTER

July 2021 to Dec. 2021

VISION

To be the center of excellence in all aspects of engineering education and research and production engineers with functional expertise. We Envision providing an atmosphere of extensive industry-centric experiential learning, innovation, research, and development to educate the next generation of Engineering leaders, create new knowledge, and serve society

MISSION

- To offer an academically rigorous, practice and research-supported, engineering education based on interdisciplinary exploration and invention, to contribute to the many technological advancements and scientific breakthroughs within India and beyond.
- To continue to provide a simulating learning environment that fosters the understanding of disruptive, technological developments, and encourages continuous innovation and learning to find solutions for the unseen challenges that lie ahead.
- To provide in-depth practical training through working in the industry for complete understanding and application of engineering principles learned.
- To provide the best infrastructure and facilities to enable the highest standards of technical education and cutting-edge research and development for the benefit of society.
- To focus on the holistic development of each student, through collaborative learning

“WELKOM FIESTA 2K21” Fresher Party

3rd December 2021

The event witnessed a plethora of performances by the new students. The #dance performances set the stage on fire with their powerful moves, the #play and #singing entertained the audience limitlessly. The audience was mesmerized by the multitude of activities that took place.

The event was full of energy, enthusiasm and everyone danced on the tunes of DJ. Fresher's party in Lloyd Institute of Engineering & Technology was organized where New Batch students show cased their talent and made their way for Mr. & Ms. Fresher title on the Fresher's Party.

All the performances were dazzling; students rocked the stage on fire with their dance moves and their stunning performances

Fresher Party

3rd December 2021

Nukkad Natak

18th December 2021

Christmas & New Year Party 2022

30th December 2021

Saarang, the cultural committee of LIET organized a food carnival to make the New Year party a most memorable one. The delicious food and game stalls were set up by the students. All around was an enthusiastic environment. All put together, the event made a great turnover for the younger minds in the campus.

Food Carnival

30th December 2021

The delicious food and game stalls were set up by the students. All around was an enthusiastic environment. All put together, the event made a great turnover for the younger minds in the campus.
