### Introduction

In pursuance of UGC (Prevention, prohibition and redressal of sexual harassment of women employees and students in higher educational institutions) Regulations, 2015 read with Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and Gender Sensitization, the Internal Complaints Committee (ICC) of LIET is constituted:

- To deal with the complaints relating to Gender Sensitization, and Sexual harassment at work place.
- To spread awareness about gender-related issues and functioning of the ICC
- The institute has a zero-tolerance policy towards sexual harassment and is proactively committed to provide a safe conducive work and academic environment to students & employees. We at ICC are extremely alert to matters

pertaining to any kind of harassment & gender sensitivity. Any female aggrieved in this matter may fearlessly approach the Presiding Officer of the ICC against sexual harassment.

## **Standard Operation Procedure**

- A complaint received in ICC is processed if it is a matter of sexual harassment of women at work place and Gender Sensitization.
- The members of the Internal Complaints Committee are the members of the Enquiry Committee and the whole process of enquiry is to be completed within the stipulated time of 90 days.
- After the complaint is received it is mandatory to take action within 7 days of receipt of the complaint.
- The Complainant is requested by the Enquiry Committee to appear before the Committee in a given date to present her case.
- A letter is sent to the respondent with the remark to provide the clarification within 10 days of the receipt of the intimation sent by the Enquiry Committee.
- After receipt of the response of the Respondent in ICC, the Respondent is requested by the Enquiry Committee to appear before the Committee in a given date to defend his case.
- If the Enquiry Committee is of the opinion that the matter is sensitive then immediate interim relief under Chapter V, Clause 12 (1) (a) of The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 is provided to the Complainant.
- The interim relief to the Complainant is also given in the shape of leave/ transfer of the Complainant to any other department for the time being until the case is resolved.
- The Enquiry Committee also request the Complainant through a letter to provide the list of names of witness/es, documents if any, to the Enquiry Committee within 3 days' time.
- The concerned department is also requested to provide CCTV Camera footage of the incident if any through the Proctor LIET to the Enquiry Committee of ICC.
- The Enquiry Committee also request the Respondent through a letter to provide the list of names of witness/es, documents if any, to the Enquiry Committee within 3 days' time.
- The witness/es are requested by the Enquiry Committee to appear before the Committee in a given date to present the case.
- The Enquiry Committee after hearing the witness/es again request the Complainant as well as the respondent to appear before the Committee in different dates for further clarification in the case.
- After going through all the documents and witness the Enquiry Committee submits the report and recommends the same to the higher institutional authority.
- The Complainant as well as the Respondent is also intimated through a letter regarding the submission of report to the higher institutional authority.
- All the files and reports are kept confidential in the office of the Internal Complaints Committee and the keys of Amirah are in custody of the Presiding Officer /Chairperson, ICC. After the closure of the case the original file is confidentially submitted to the Director, LIET and a copy of the same is kept confidential in the ICC for office record.

## 12. Criteria and Weightages for Admission

- Describe each criterion with its respective weightages i.e. Admission Test, marks in qualifying examination etc. : **AS PER UPTAC / AKTU / AICTE NORMS**

Engineering and Technology	4 years	Passed 10+2 examination with Physics/ Mathematics/ Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational subject/ Agriculture/ Engineering Graphics/ Business Studies/ Entrepreneurship Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.
MCA	2 years	Passed any graduation degree (e.g.: B.E. / B.Tech./ B.Sc / B.Com. / B.A./ B. Voc./ BCA etc.,) preferably with Mathematics at 10+2 level or at Graduation level Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination. (for students having no Mathematics background compulsory bridge course will be framed by the respective University/ Institution and additional bridge courses related to computer subjects as per the norms of the concerned University).
M.Tech.	2 years	Passed Bachelor's Degree or equivalent. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination.
Management (MBA)	2 years	Passed Bachelor Degree of minimum 3 years duration. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination.

- Mention the minimum Level of acceptance, if any : **AS PER UPTAC / AKTU / AICTE NORMS**
- Mention the cut-off Levels of percentage and percent ile score of the candidates in the admission

test for the last three years : **AS PER UPTAC / AKTU / AICTE NORMS**

- Display marks scored in Test etc. and in aggregate for all candidates who were admitted: **AS PER UPTAC / AKTU / AICTE NORMS**

13. List of Applicants: : **AS PER UPTAC / AKTU / AICTE NORMS**

- List of candidate whose applications have been received along with percentile/percentages core for each of the qualifying examination in separate categories for open seats. List of candidate who have applied along with percentage and percentile score for Management quota seats (merit wise)

14. Results of Admission Under Management seats/Vacant seats : : **AS PER UPCET / AKTU / AICTE NORMS**

- Composition of selection team for admission under Management Quota with the brief profile of members (This information be made available in the public domain after the admission process is over) : **The admission committee comprising Senior Director, Dean IQAC and Admission Director of Institute make admission under Management Quota seats according to AICTE / AKTU norms.**

- Score of the individual candidate admitted arranged in order or merit
- List of candidate who have been offered admission
- Waiting list of the candidate in order of merit to be operative from the last date of joining of the first list candidate
- List of the candidate who joined within the date, vacancy position in each category before operation of waiting list

15. Information of Infrastructure and Other Resources Available

National Digital Library membership ID: INUPNC3VHNSSHGX : National Digital Library of India (NDLI) is a virtual source of learning sponsored and mentored by Ministry of Education, Government of India, through its National Mission on Education through Information and Communication Technology (NMEICT). NDLS provides online study material to the students of school to college level including competitive exams for job aspirants. In addition to this, NDLS is also providing support for all academic levels including researchers and life-long learners, all disciplines, all popular forms of access devices and differently-abled learners. LIET has formed a committee for handling library related work. In the guidance of Library committee, all the faculty members and students' of Lloyd Institute of Engineering and Technology have been registered with National Digital Library of India (sponsored by Ministry of Education, Government of India). The Library Committee of LIET is comprises with following members

Sr. No. Name Responsibility/Department

1. Dr Jyotsna Singh Patron
2. Mr. Manoj Vishwakarma President
3. Shiv Singh Rana Secretary
4. Shweta Chauhan Executive Member

For benefiting of the NDLI services, Institutions having email ID with domain name, .edu.in; .ac.in; .nic.in; .ernet.in; .res.in, .gov.in; .ernet.in; nitsri.net are open for registration. Users having domain name other than the ones listed above, may write to [ndl-support@iitkgp.ac.in](mailto:ndl-support@iitkgp.ac.in) for creating an account at NDL. All MREI Associates and students having email id with domain name, .edu.in or .ac.in can now register for this National Asset. Certain key features of the National Digital Library include, Educational materials available for users ranging from primary to post-graduate levels, More than 40 types of learning resources available, More than 13, 00,000 items have been authored by 1 lac authors in over 70 languages, Repository integrates content from different India Institutional Repositories and hosts contents from multiple subject domains like Technology, Science, Humanities, Agriculture and others. Select key resources in the National Digital Library are:-

- NCERT: Hindi and English books of different subjects for the students from primary to class XII
- INFLIBNET: More than 38000 thesis and synopsis reports authored by Indian Researchers from across India
- NPTEL : MHRD Sponsored project that hosts 10,000+ video lectures in Engineering domain
- DLI : More than 5 lac global classic books
- LibriVox: More than 2,00,000 audio books

Visit the National Digital Library portal <https://ndl.iitkgp.ac.in> to register for this brilliant resource and be a part of this great initiative

- Innovation Cell **AVAILABLE**

In the fast growing world, both academia and industry are strength of one another. It seems to be necessary to work by taking these two sector at same platform for present and more so for the future. Institution Industry Cell (IIC) was formed at Lloyd Institute of Engineering and Technology (LIET) under the aegis of the AICTE to provide a common platform for interaction between Industry and Institute. By this Interaction, The Institute will be benefited by getting aware of real-life problem, infrastructure requirement, and financial sustainability issues happening in industries. The issues can be studied thoroughly and their solution can be practiced. In the same manner, Industry will also be benefitted by getting helping hand from academia persons for solving the problems. In addition to this the industries will get human resources according to their requirement i.e. skill professionals in same field in which the industries are working. Institution-Industry Cell, from the very first day to till date has continued to grow progressively and serves the purpose of sharing Institute's interest to the the Industries so that feasible areas of collaboration may be identified. Institution-Industry Cell has developed relations between LIET and large number of industries in private as well as public sectors. The cell also organizes seminars, workshops and various other industrial training programs to explore the students and faculties with latest technologies and makes the students ready for current industry practices, and refines their skills to adapt changing technologies. The primary focus of IIC is to interact the institute with leading industries and extend the efforts in establishing instituteindustry partnership across the country in near future. Objectives: • Bridging the gap between Institute-Industry by organizing interactive programs and signing MOUs for collaborative work. • Organizing seminar, workshops, exhibitions and symposiums for the students and faculties for exploring them with recent technologies. • To conduct industrial training and arranging industrial for the students and faculties. • To promote research and development activities by inspiring them with real-life problem happening in the industries. • To encourage industries to collaborate with the institute for Intern-ship / In-plant Training program for the students. • To encourage the institute and industries for collaborative works on projects.

- List of facilities available

- Games and Sports Facilities **AVAILABLE**

The college has always created a niche for itself in the field of sports. The college has since long times, been participating in various inter institution tournaments. In sports, our college provides facilities for both indoor and outdoor games to the students. Outdoor Games: A spacious play ground is available for outdoor games like Cricket, Football, Volleyball, Basketball, Badminton etc. Indoor Games: Facilities for the indoor games like Badminton, Table Tennis, Chess, Carrom etc, are provided to students in the college campus. A large

number of sports activities are organized in the college aiding the students to display their talent in sports activities.

- Extra-Curricular Activities **AVAILABLE**

The institution is committed to attract students for participating in various extracurricular activities by ensuring consistent encouragement and motivation. The necessary facilities are provided and adequate funds are allotted. The sports and cultural committees supervise the extracurricular activities. The students who participate in these activities are provided with extra classes so that the time they have given in for the various activities can be compensated for.

- Soft Skill Development Facilities **AVAILABLE**

Academic excellence alone is not enough and cannot guarantee a good career. Certain personality attributes and soft skills are essential not only to get a good job placement but also to be able to contribute and grow in an organization. Taking cognizance of this, the college emphasises all round development through a range of extracurricular activities as well as organizing and conducting formal Personality Development Program. This programme is conducted by a professionals and includes training in communication skills, group discussion, interpersonal skills and interviews. This is a mandatory programme for students of the college. This programme helps in the overall personality development of students. The whole exercise is intended to increase the employability of students. Amidst an inspiring and invigorating environment, students undergo training that turns them into top notch professionals

**IMPORTANT NOTES:-**

- The institute shall ensure minimum teaching hours as prescribed in the University ordinances for each semester. If required, the Director/Principal shall arrange extra classes, on weekends/holidays.
- The institute should ensure that at least two class tests are conducted after completing 1/3<sup>rd</sup> & 2/3<sup>rd</sup> syllabus respectively. All students will be required to appear in both first- and second-class tests. If, for any reason beyond the control of students such as illness, tragic incident in family, the student fails to appear in any test, it will be the responsibility of the Principle/Director of the Institute to arrange make up class test for such students. If the student fails to appear in first class test, his makeup class test will be conducted before second class test and in case of second-class test at least one month before the start of end semester theory examination. The duration of class test will be minimum one hour for each class test, 70% attendance at 1<sup>st</sup> test and 75% attendance at second class test are required. In case attendance is short, parents are informed accordingly on monthly basis.
- The Director/Principal of Institute shall ensure the submission of attendance of students regularly through Attendance Monitoring System (AMS) of the University and shall ensure that no student is allowed to appear in the examinations who has not attained the minimum required attendance as per norms prescribed in relevant ordinances. It will be obligatory on the part of the Director/Principal of the Institute to detain such students and their admit cards will not be issued to them. A list of students detained from appearing in University Examination(s) be submitted to their Examination center before the commencement of the theory examination.
- The teachers who are assigned evaluation duty during vacation shall be entitled for earned leave as per rules and duty leave for other examination related works assigned by the University.
- The loss of syllabus for the newly admitted third semester B. Tech & B. Pharma students has to be COMPULSORILY made up by the institutes by conducting extra classes in early morning/late evening/Sunday/holidays.

- Academic Time Table with the name of the Faculty members handling the Course **AVAILABLE**
  - The classes, labs, seminars and project work, as specified in the evaluation scheme and syllabus published by the University on its website ([www.aktu.ac.in](http://www.aktu.ac.in)), are conducted in accordance with the time table issued by each department
  - Teaching Load of each Faculty
- TEACHING LOAD OF FACULTY IS DISTRIBUTED AS PER AKTU / AICTE NORMS**

- Internal Continuous Evaluation System and place: **AVAILABLE**

The institute is affiliated to APJ Abdul Kalam Technical University, Lucknow. Institute follows the internal examination pattern matching with the university exam pattern. Guidelines of AKTU are followed strictly in the evaluation process. There are three Internal tests conducted, namely: Sessional Test 1, Sessional Test 2 and Pre-University Test. The college academic calendar is prepared in coherence with the university academic calendar. To implement the continuous internal evaluation in a smooth and efficient manner the college has framed guidelines for conducting the internal evaluation. The tasks done by the college exam cell are as follows: scheduling of internal examination, seating arrangements, assigning hall invigilators, collection of answer books and distribution of answer books to the subject teaching faculty.

The subject expert prepares the Question paper for internal examination. Scrutiny of the prepared question paper is carried out by HoD to ensure quality of the question paper. Monitoring the attendance of the students for the examination is done. Evaluation of answer books is carried out within the stipulated time. Distributing evaluated answer books to the students for clarifications of doubts. Conducting meetings to review the results by preparing the results analysis. Remedial actions and measures for further improvements are arrived after discussion between faculty and the HoD. The evaluation for practical courses is done by conducting two major viva sessions in addition to the experiment specific questioning done at the time of checking of practical record. Additionally, the hands-on knowledge of the students is also checked in all lab sessions which forms a vital component of internal lab assessment. The evaluation for project course is assessed by conducting periodical project reviews covering key parameters like problem formulations, understanding of the project, presentation skills, communication of ideas, technical knowledge, team work and project management. Performance of the students in internal assessments is used as reference by the faculties to identify slow and quick learners in their respective subjects. Slow Learners are encouraged to improve their performance in future by proper counselling. Good students are motivated to participate in various technical events to further strengthen their knowledge

- Student's assessment of Faculty, System in place: **AVAILABLE**

Student feedback on Faculty about the teaching learning is taken from all the students at the end of the semester for all theory and practical subjects. The various parameters on which teaching is assessed are: Communication Skills, Quality of Teaching, Subject Knowledge, Content and Method of Delivery, accessibility of faculty for clarification of doubts, quality of assignments, syllabus completion, maintaining the pace of teaching throughout the course duration etc. Faculty feedback is calculated subject wise and section wise. A combined report is prepared consisting of feedback of all faculty members from a particular department. Such department wise feedback summaries are sent to all HoDs and Director. Feedback scores of faculty are conveyed to them through respective HoDs. Faculty having feedback score of less than 7 (out of 10) is counselled by the HoD for future improvements
