About LIET

Lloyd Institute of Engineering & Technology has become a place where dreams are indeed transformed into reality. The institute is affiliated to Dr. A.P.J. Abdul Kalam Technical University (Formerly UPTU) and recognized by the A. I. C. T. E. (Min of HRD), New Delhi, and the U.P. Govt. LIET has been constantly engaged in moulding the lives of future engineers with the employment of innovative approaches that are job-oriented only.

VISION

To emerge as an Institute of academic excellence by empowering young minds through problem solving skills, knowledge & ethical values and transforming them into professionals of global competence.

MISSION

- To equip the students with state of the art technological advancement and skills
- To create a conducive environment for teaching and learning through continuous engagement with industry for corporate understanding and Professionalism.
- To focus on holistic development of students through enhanced learning along with moral and ethical value system.

About Department

The Department of Computer Science & Engineering (CSE) at Lloyd Institute of Engineering and Technology is committed to delivering quality education and fostering innovation in emerging computing technologies. The department offers industry-oriented programs with a focus on Artificial Intelligence, Machine Learning, Data Science, Cloud Computing, and IoT.

With experienced faculty, modern laboratories, and a strong emphasis on practical learning, research, and industry collaboration, the department aims to develop skilled, innovative, and industry-ready professionals capable of meeting global technological challenges.

VISION

Transforming students through skill-based learning with ethical values, producing competent Computer Science Professionals, to cater technological and industrial challenges of global need.

MISSION

IM1: create and disseminate knowledge in the area of Computer Science and Engineering.

IM2: Provide practical learning and exposure on advanced tools and technologies.

IM3: To instill global level competence and skills with innovative thoughts maintaining ethical values and professionalism.

ABOUT DEPARTMENT

A computer monitor is shown on a white desk, displaying a website with the text 'ABOUT DEPARTMENT' in large blue letters. To the left of the monitor is a small potted plant and a vase of colorful flowers. The background is a bright, out-of-focus window.
